Description of change:

To avoid the long lead time of the original supplier, we adopt the new supplier for bezel . There is no any change on the module's dimension and interface. The new bezel is conformed to the specification.

Suggested Alternate Parts :

The LCD part no. remains the same.

In case of further questions, please contact your contact. If you do not ask a new sample for approval, Ampire confirms that you approve the Ampire replaced parts of above items. All the replaced parts are approved by Ampire thus if you need a new sample for approval, please ask your contact.
